Noteholders who are unsure of the consequences of voting in favour of the Extraordinary Resolution should seek their own independent legal, tax and financial advice.

Requests must be accompanied by (i) proof of entitlement of the Noteholders to give voting instructions in accordance with the Trust Deed, the Conditions and this Notice and (ii) a note explaining the reasons for the addition of such items or proposals. Voting Procedures

The relevant provisions governing the convening and holding of the Meeting are set out in Schedule 3 to the Trust Deed, copies of which are available for inspection as referred to above.

Only those Noteholders who hold Notes, as at the end of the seventh business day prior to the date of the Meeting, as certified by the Principal Paying Agent on the basis of the relevant book-entries in

Euroclear Bank S.A./N.V. (“**Euroclear**”) or Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**”), are entitled to participate in, and vote at, the Meeting. Persons who become Noteholders after such date will not be entitled to participate in, and vote at, the Meeting. For the purposes of this Notice, “business day” means a day on which the markets regulated by the Irish Stock Exchange are open for business.

Admission of Noteholders or their representatives to the Meeting and the right to vote at the Meeting is subject to the delivery to Atlantia, by 5.00 p.m. (Rome time) on the third business day prior to the date fixed for the Meeting, of a certificate issued by the Principal Paying Agent confirming that the relevant Noteholder or its representative is entitled to vote at the Meeting on the basis of the relevant book-entries in Euroclear or Clearstream, Luxembourg, as at the end of the seventh business day prior to the date of the Meeting. However, in the event that Atlantia does not receive such certification by 5.00 p.m. (Rome time) on the third business day prior to the date fixed for the Meeting, the Noteholder may nevertheless attend and vote at the Meeting, provided that the certificate is received by Atlantia before the beginning of the Meeting.

Noteholders who have submitted or delivered (and not subsequently revoked or amended) valid Electronic Voting Instructions prior to the Instruction Deadline need take no further action in relation to voting on the Extraordinary Resolution at the Meeting. By submitting or delivering an Electronic Voting Instruction (and not revoking or amending it prior to the Instruction Deadline), Noteholders will have irrevocably instructed the Principal Paying Agent to appoint an employee of the Tabulation Agent (nominated by it) as proxy to attend and vote at the Meeting in accordance with the instructions of such Noteholders.

Each person (a “**beneficial owner**”) who is the owner of a particular principal amount of the Notes through Euroclear, Clearstream, Luxembourg or a person who is shown in the records of Euroclear or Clearstream, Luxembourg as a holder of the Notes (a “**Direct Participant**”), should note that a beneficial owner will only be entitled to attend and vote at the Meeting in accordance with the procedures set out below and where a beneficial owner is not a Direct Participant it will need to make the necessary arrangements, either directly or with the intermediary through which it holds its Notes, for the Direct Participant to complete these procedures on its behalf.

“**Electronic Voting Instruction**” means an electronic voting instruction submitted by a Direct Participant through the relevant Clearing System to the Tabulation Agent, instructing the Principal Paying Agent to appoint an employee of the Tabulation Agent (nominated by it) as its proxy to attend the Meeting on its behalf and stating that the vote(s) attributable to the Notes that are the subject of such electronic voting instruction should be cast in a particular way in relation to the Extraordinary Resolution (either in favour of or against the Extraordinary Resolution).

The following paragraphs 1 to 7 apply only to Noteholders who have not submitted or have submitted and subsequently revoked (in the limited circumstances in which such revocation is permitted) an Electronic Voting Instruction in respect of the Extraordinary Resolution.

1. Subject as set out in this section, the provisions governing the convening and holding of the Meeting are set out in Schedule 3 to the Trust Deed (as amended or supplemented and as interpreted in accordance with mandatory provisions of applicable laws and regulations (including the Italian Civil Code and Legislative Decree No. 58 of 24 February 1998, as amended (the “**Italian Securities Act**”))) copies of which are available from the date of this Notice up to the conclusion of the Meeting as referred to above.
2. All of the Notes are in bearer form and are represented by a global Note held by a common depositary for Euroclear and/or Clearstream, Luxembourg.
3. A Noteholder wishing to attend and vote at the Meeting in person must produce at the Meeting a valid Voting Certificate or certificates relating to the Notes in respect of which it wishes to vote. A Noteholder may obtain a Voting Certificate in accordance with the procedures set out in paragraph 6 below.

4. A Noteholder not wishing to attend and vote at the Meeting in person may either (a) deliver its valid Voting Certificate(s) to the person whom it wishes to attend on its behalf (a form of proxy for any such person attending on behalf of a Noteholder is available from the Principal Paying Agent) or (b) require the Principal Paying Agent to issue a Block Voting Instruction (confirming that voting and blocking instructions have been given to Euroclear or Clearstream, Luxembourg in accordance with the procedures of Euroclear or Clearstream, Luxembourg, as applicable) and appointing a proxy to attend and vote at the Meeting in accordance with that Noteholder's instructions.
5. Any such Voting Certificate or Block Voting Instruction shall be issued by the Principal Paying Agent, and the form of such Voting Certificate or Block Voting Instruction is available from the Principal Paying Agent or the intermediary with which the account of the Noteholder is held, the contact details for which are set out below.
6. If a Noteholder wishes to obtain a Voting Certificate for the Meeting, then it must deposit its Notes with the Principal Paying Agent or to its order or under its control or arrange for its Notes to be blocked in an account with the relevant Clearing System or for that purpose, not less than 48 hours before the time fixed for the Meeting and within the time limit specified by the relevant Clearing System upon terms that the Notes will not cease to be so deposited or held or blocked until the first to occur of (i) the conclusion of the Meeting and (ii) the surrender of such Voting Certificates to the Principal Paying Agent. A Voting Certificate must then be delivered to Atlantia as provided above.
7. If a Noteholder wishes the votes attributable to its Note(s) to be included in a Block Voting Instruction for the Meeting, then (i) it must deposit its Notes with the Principal Paying Agent or to its order or under its control or arrange for its Notes to be blocked in an account with the relevant Clearing System or for that purpose and (ii) it or a duly authorised person on its behalf must direct the Principal Paying Agent as to how those votes are to be cast, not less than 48 hours before the time fixed for the Meeting and within the time limit specified by the relevant Clearing System upon terms that the Notes will not cease to be so deposited or held or blocked until the first to occur of (i) the conclusion of the Meeting and (ii) the surrender to the Principal Paying Agent not less than 48 hours before the time fixed for the Meeting and within the time limit specified by the relevant Clearing System of the receipt for the deposited or blocked Notes and notification thereof by the Principal Paying Agent to Atlantia and the Trustee and that such instruction is, during the period commencing 48 hours prior to the time of the Meeting and within the time limit specified by the relevant Clearing System is convened and ending at the conclusion thereof, neither revocable or capable of amendment.

Quorum, Adjournment and Extraordinary Resolution

As further set out in the Trust Deed, the quorum required for the Meeting to be validly held is one or more Voters (as defined in the Trust Deed) representing or holding at least one half of the aggregate principal amount of the Notes then outstanding. If a quorum is not achieved in connection with the Meeting, the Meeting will not be adjourned and no second call/adjourned meeting will be held.

At the Meeting, to be passed, the Extraordinary Resolution requires a majority voting in favour consisting of the higher of (i) one or more Voters holding or representing not less than one half of the aggregate principal amount of the Notes then outstanding and (ii) one or more Voters holding or representing not less than two thirds of the outstanding Notes represented at the Meeting.

If passed, the Extraordinary Resolution will be binding upon all the Noteholders, including those Noteholders who do not vote on the Extraordinary Resolution, whether present or not present at the Meeting and whether or not voting.

The Extraordinary Resolution in relation to the Notes will take effect immediately after it has been passed and duly registered with the competent Companies Register provided that the Supplemental

Trust Deed and Supplemental Agency Agreement will only be signed once the Issuer has confirmed in writing to the Trustee that such registration has taken place.

Voting Requirements

As further set out in the Trust Deed, subject as provided above under “*Quorum, Adjournment and Extraordinary Resolution*”, every question submitted to the Meeting shall be decided in the first instance by a show of hands. Provided that a show of hands produces a clear and incontrovertible result, a declaration by the Chairman that a resolution has been passed, passed by a particular majority, rejected or rejected by a particular majority shall be conclusive evidence of that fact without proof of the number or proportion of the votes cast for, or against, such resolution, *provided however* that one or more Voters, the Trustee or the Noteholders’ Representative (as defined in the Trust Deed) may at the Meeting require that such question be decided by a poll.

As further set out in the Trust Deed, at the Meeting every Voter shall have one vote in respect of the EUR100,000 in aggregate face amount of the outstanding Note(s) represented or held by it.

Notice of Results

Notice of the result of the vote on the Extraordinary Resolution shall be given to the Noteholders and the Principal Paying Agent within 14 days of the conclusion of the Meeting.

The Issuer will publish the results of the voting on the Extraordinary Resolution on its website (www.atlantia.it) and by way of press release within five days of the conclusion of the Meeting, with a copy of the Extraordinary Resolution to be made available within 30 days from the date of approval, provided that non-publication of such result shall not invalidate such result.

Clearing Systems

Holders of Notes which are held by the Clearing Systems should contact the relevant corporate action departments within the relevant Clearing Systems for further information in respect of their respective procedures for voting. In addition, Noteholders are advised to check with any broker, dealer, commercial bank, custodian, trust company, accountholder or other nominee or trustee through which they hold their Notes when such intermediary would require to receive instructions from a Noteholder in order for that Noteholders to be able to participate at or revoke their instructions to participate at the Meeting before the deadlines set out herein. The deadlines set by any such intermediary and Clearing System may be earlier than the relevant deadlines set out herein.
