

- **Lucia Morselli, Director**

Ms. Morselli holds a degree in Mathematics from the University of Pisa, a doctorate in Further Mathematics, a Master in Business Administration and a Master in Public Administration.

She began her career with Olivetti SpA, before joining Accenture and, in 1995, becoming CEO of the Telepiù Group. She then held the same role at a number of major companies, including News Corporation Europe, Stream SpA and Tecnosistemi. She was later appointed Group CEO at the Berco Group and, in 2015, at Acciai Speciali Terni. She is currently Chair and CEO of ArcelorMittal SpA, a director of Telecom Italia where she chairs the Related Party Transactions Committee, a director of the Snam Foundation, a director of STmicroelectronics, a director of EssilorLuxottica where she chairs the Audit Committee, and a director of Sisal SpA and Blue SGR.
